Sir:

On November 2, 2006, I contacted Examiner Ella Colbert regarding the Office Action Summary of the Office Action dated October 18, 2006.

The Office Action Summary erroneously indicates that the above-identified application has been granted special status under the accelerated examination program and that a response must be filed within one month with no opportunity of extension.

Examiner Colbert agreed that Applicant has not requested accelerated examination for the application. Examiner Colbert agreed that this application has not been granted special status under the accelerated examination program and that the improper Office Action Summary was sent due to a clerical error.

Examiner Colbert agreed to issue a corrected Office Action, including a proper Office Action Summary, before November 18, 2006, which would be the office action response due date if this application was in the accelerated examination program.

Please do not hesitate to contact the undersigned if you have any questions or if I can be of further assistance.

Respectfully submitted,

TIMOTHY LABADIE
